

Hi TEMIS Families,

I'm excited to be photographing your kids this year. Apologies for such a short notice period, but visa and work permit issues have delayed my return to PNG mid-COVID.

Here are a few answers to questions you may have regarding this year's photo day.

Photos will be taken as follows:

Murray site – Monday 2<sup>nd</sup> November

ELC site – Thursday 5<sup>th</sup> November & Friday 6<sup>th</sup> November.

Here are a few answers to questions you may have regarding this year's photo day.

Covid-19 safe and contactless measures will be in place, including social distancing, mask wearing and the students will be standing instead of sitting for their portraits. Students will remove their mask for the actual photograph only. Class group photos may look a little different this year; composite class photos will be produced.

Looking forward to photo day!

What if my child doesn't attend on Photo Day?

If your child's booked days are not one of the photo days, you are more than welcome to bring them along for their photo, as long as you or a carer remain with them. Just let your friendly teachers know which day suits you best.

Photography will begin at 8:30am sharp for ELC, please make sure your child arrives on time.

## What about Siblings?

With the schools at two different locations and the covid safety guidelines, sibling group photos will not be possible. Please enquire by email about Christmas mini sessions if interested.

## Remembering photo week

As a parent myself, I know how busy your lives are (especially with little ones) and remembering it's photo week can slip through the cracks. I will put an event on my facebook page. This way you can get reminders on your phone before you drop off your little people on photo morning. A link to this will be posted on the TEMIS Parents Facebook page.

Please endeavour to brush teeth and hair and encourage big and little children alike to try to stay clean and tidy until photo time.

The school and I are pleased to present you with a special memory to look back on in years to come.

Thanks,

Rachel Gunn
