

Saturday 13 March 2021

Dear Parents/Guardians

Good afternoon to one and all, following is our latest update;

- Some more students have tested positive
 - A boy in ELC
 - A boy in 1/2A
 - A boy in 3/4R
 - A boy in 5/6O
 - A girl in 5/6H.

- As mentioned, our Senior Leadership Team was considered as having close contact and after testing, Anne-Marie, Morissa and I all tested negative. Helen is resting well at home.

Parents should continue to monitor their child's health and the health of their families for COVID-19 symptoms. Children with COVID-19 generally have mild, cold-like symptoms, such as fever, runny nose, and cough. Vomiting and diarrhea have also been reported in some children.

If your child or a member of your family does receive a positive test for COVID 19, please contact the school as soon as possible.

We extend our best wishes to the students and their families and staff for a safe and speedy recovery and thank them for informing the school.

As previously mentioned, if you have not received any emails to date or know of someone who hasn't please ensure the contact details are sent to us as a matter of urgency, and in the meantime please keep an eye on the website.

Regards

Neal

Neal Maxwell
TEMIS Principal.
