

Thursday 18 March, 2021.

Dear Parents, Guardians

Good afternoon to everyone. This is a quick follow-up letter to our announcement yesterday. TEMIS will continue to offer our DLP program for the next 2 weeks, then have school holidays as originally planned, starting Friday 2nd April.

However, we must keep in mind that if the PNG Government brings in more stringent measures we may need to make adjustments to this plan.

We believe this is the best decision for our School community and hopefully after this period the Covid-19 issues in POM will have settled so we can return to face-to-face teaching after the Easter holidays.

As has occurred over the past few weeks I will continue to send updates to our TEMIS community.

Kind regards

Neal

Neal Maxwell
TEMIS Principal.
